### **Tyler & Bursch Acquires Giardinelli Law Group!**

We are excited to announce that we are acquiring The Giardinelli Law Group. John V. Giardinelli is the principal, founding attorney, and senior member of The Giardinelli Law Group. John and his wonderful staff will now be working with Tyler & Bursch. Our growing firm now has eight attorneys and fourteen administrative and legal staff working on behalf of our clients.

John has experience in transactions and litigation in real estate, business, and employment law. He also has a background in land use, contract law, and corporate law. His practice is currently focused on real estate and business law. John's notable experience allows him to provide powerful representation and comprehensive legal advice to his clients. With the breadth of experience he brings, John will be a great asset to our clients and a great mentor to our younger attorneys. John is also focused on using his experience to benefit others through his mediation practice.

John represents numerous REALTORS® associations with members exceeding 30,000. He is a keynote speaker at REALTOR® association events and brokerage events, conducts classes and seminars, and writes articles and bulletins on trending topics in real estate for both REALTOR® associations and The Giardinelli Law Group's Courtside Newsletter. He also advises brokerage firms, business entities, brokers, agents, homeowners, developers, and business owners.

John has been an engaged member in his community of Canyon Lake, for over 30 years. He has served as Mayor, Council Member, and as a member of the Executive Board of the Western Riverside Council of Governments. He also served three terms on the Canyon Lake Property Owners Association's Board of Directors and as its President. Along with his staff, John has served

so many clients throughout Southern California, particularly within the Temecula Valley. Over the next few years John will continue to be active in Canyon Lake Community Church and spend time with his wife, children, and grandchildren. Fortunately for us, he will also be engaged with us as an attorney and mentor.

We are fortunate to acquire the legal experience, as well as enthusiasm in politics, education, religion, and family The Giardinelli Law Group provides.
